I know you'll love Randolph Macon - it'll be far away from each other next year, I know I'll always consider you a wonderful friend. Love always, Judy

You're a beautiful girl with a personality to match. I feel very cheated when I think that I first knew you in the 5th grade but failed to continue our friendship until this year. I hope that now we ^{can} continue to be good friends. With your varied and exceptional qualities your future should be bright. Never lose your love of people, live with it always. May your future be the best of everything - the Susan I know deserves it.

Good Luck Always,

1920

To many White Station is a relatively new institution of learning. It actually dates back to Pre-Civil War days when it was only a two room school building known as Albert Pike High School. In 1897 it was considered one of the largest of the Shelby County schools, having an enrollment of eighty pupils.

The name was finally changed to White Station in honor of Mr. Eppy White, donor of the land where a new brick school building was erected shortly after World War I. During this time, 1920, White Station was a one room building with coal oil lamps. Food was offered to the Student body in 1923 by the PTA for only 5c—soup and crackers.

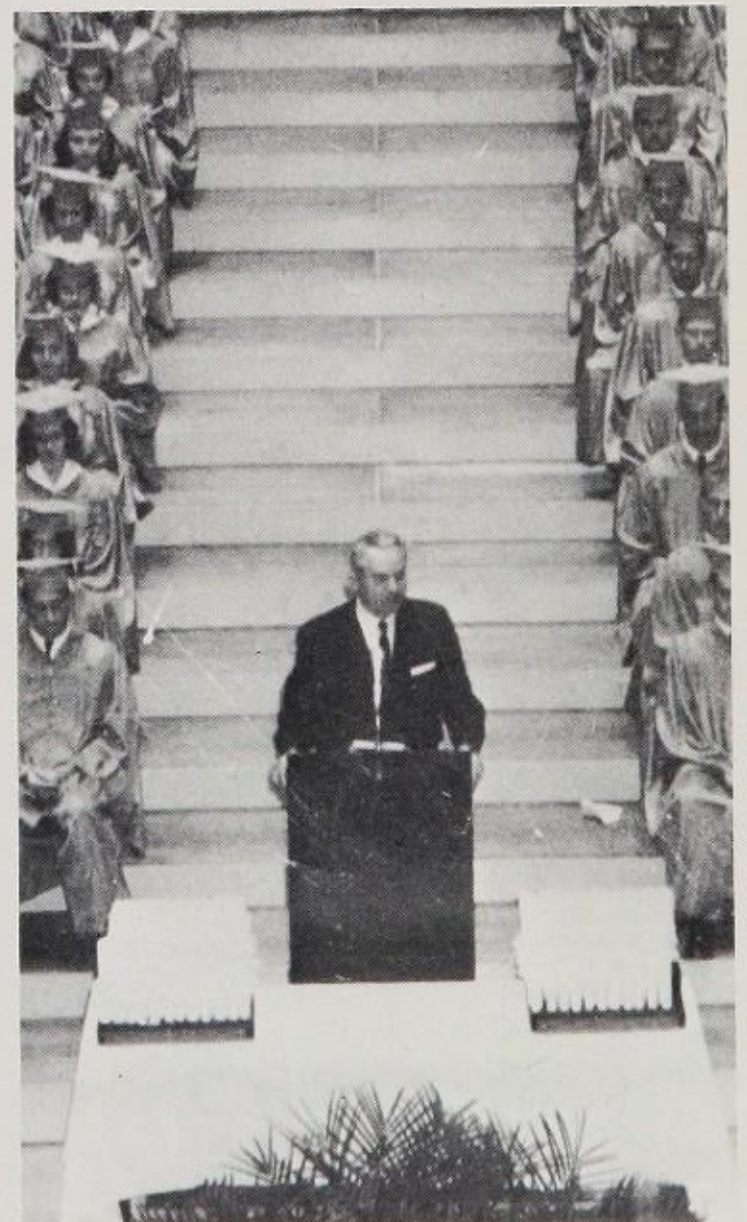

A new building was constructed in 1957, climaxing the period of growth which began during Pre-Civil War days.

*Dedicated to . . .
Mrs. Georgia Ross*

In Dedication

A teacher is a person who endows a segment of his own knowledge upon the minds of his students. In order to perform this task successfully, one must do more than simply present the facts. An individual has to be able to "slip over" the facts without losing the interests of his pupils. Such a person is Mrs. Georgia Ross.

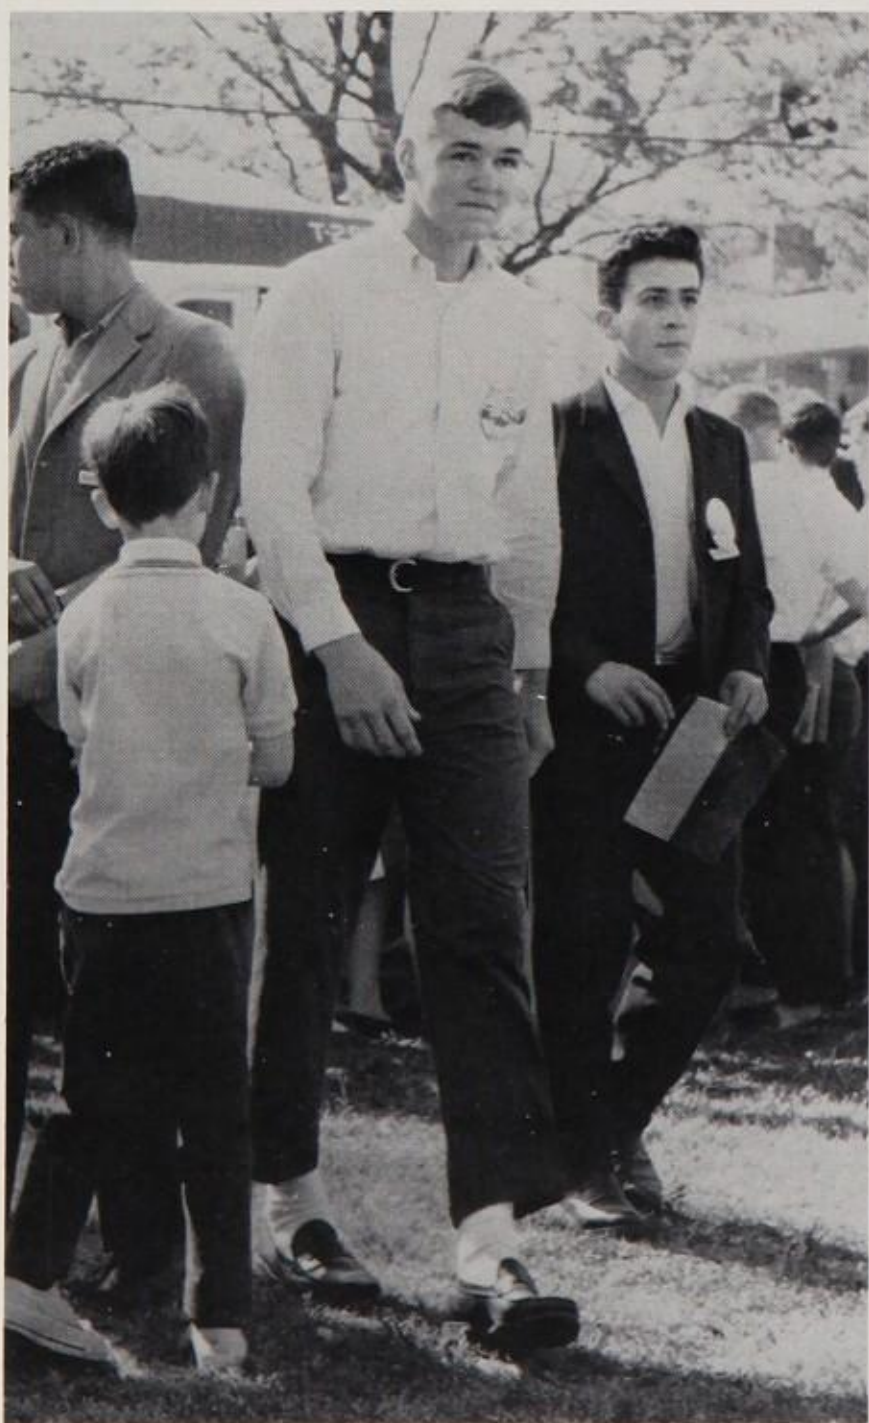

To Spartans, Mrs. Ross is known as the teacher who can make even "us dumb ones" see that $2+2=4$. She is a person who has never known the meaning of the word "can't". Being a second mother to many, Mrs. Ross has given the solution not only to tricky math puzzlers but also has helped many a Spartan with his personal problems as well. For your loyalty, avid and sincere help when in distress, the 1966 Shield staff would like to dedicate this annual to you,

Mrs. Georgia Ross

Mr. Siler and the student body wish the Amigos a happy farewell.

Spartan Bob Zinn welcomes his Amigo, Julio.

BIENVENIDOS AMIGOS!

This past spring White Station was selected as host school for "Operation Amigo." This project was initiated to promote good will and to provide a better understanding between the United States and South America. Twenty boys and girls were chosen to visit our country and live with students at White Station. The Amigos were taken on tours of industries and saw places of interest all around Memphis. During this two weeks many false impressions were corrected while friendships were made. We at White Station are proud of "Operation Amigo" and thankful that we were able to live and work with our friends from South America.

Board of Education Memphis City Schools

MR. E. C. STIMBERT
Superintendent of Memphis City Schools

The Memphis Board of Education is the backbone of our city school system and is the unseen force responsible for the success of our city schools. Constantly working to provide each student with a complete and well-rounded education required to lead a successful life is the main aspect of Mr. E. C. Stimbert and our Board of Education.

We can only pay tribute to the people who have sacrificed their time for the betterment of our education.

Board Members are, Mr. John T. Shea, Mrs. Arthur N. Sessel Jr., Mr. Hugh H. Bosworth, Mrs. Lawrence Coe, and Mr. Edgar H. Bailly.

Staff Members are, standing, Mr. Felix Oswalt, Mr. John P. Freeman, Mr. Lee Thompson and seated, Mr. Morgan Christain, Mr. E. C. Stimbert, and Mr. Harry B. Sharp.

Mr. Rush W. Siler
Principal

White Station is indeed fortunate to have as its principal Mr. Rush W. Siler, whose sincere dedication is shown in all aspects of school life. Whether in the stands during athletic contests, in the audience at one of our speech productions or in the halls urging students into their classes, he has won the respect and admiration of all the students.

Throughout the years White Station has emerged as one of the leading schools in the city of Memphis, and much of this progress is due to the dedication of Mr. Siler. We are certainly proud to have the able leadership and firm guidance of such a man.

Principals

Supervising the Junior High and assisting Mr. Siler in the administrative duties of White Station, is Mr. Donald Miller. Mr. Miller came to White Station after teaching science for five years at Bellevue. Fortunate are we to have Mr. Miller as our assistant principal.

Secretaries

"I know I put that boy's card back!"

The administrative duties of White Station could never be accomplished without the assistance of our two secretaries, Mrs. Virginia Bankston and Mrs. Billie O'Kelly. Whether mimeographing tests or checking on absentees, our secretaries are always willing to give their aid with a cheerful smile. To these two ladies we are forever in debt.

Setting the books in order is Mrs. O'Kelly.

Activities this year included staffing the sick room, publishing an informative yearbook, organizing parent-teacher discussion groups, supporting community welfare needs, and providing student programs and awards to encourage academic achievements. Funds for these programs were provided by the Spaghetti Supper and Open House project. This organization has enjoyed the full support of the faculty since its beginning forty-six years ago.

A black and white photograph of five young people, three women and two men, posing in a room. One man is standing in the back center, wearing a dark V-neck sweater over a light shirt. The other four are seated around a small, dark, round table. On the left, a woman sits in a dark armchair, wearing a light-colored long-sleeved top and a skirt. Next to her, another woman sits on the edge of the table, wearing a light-colored V-neck sweater over a white collared shirt. In the foreground, a man sits in a dark armchair, wearing a light-colored V-neck sweater over a white collared shirt and light-colored trousers. To his right, another man sits in a dark armchair, wearing a light-colored long-sleeved shirt. The room has a tiled floor and a wall with a geometric, possibly stained-glass or paneled, pattern. The lighting is soft, and all five individuals are smiling at the camera.

ACTIVITIES

A Spartan's heart will always swell with pride when he recalls those memorable days—the victory over Christian Brothers, the two weeks' visit of the Amigos, and the tears shed during the performance of WEST SIDE STORY. The enthusiastic Spartans participating in the numerous activities available at White Station have brought the school and themselves honorable recognition. As new Student Council officers hopped into action and class elections were held, the ceaseless work of devoted students and faculty began.

During some of the year's assemblies, attentive audiences were inspired by the dignified Honor Society inductions and moved by the Veterans' Day memorial to our courageous

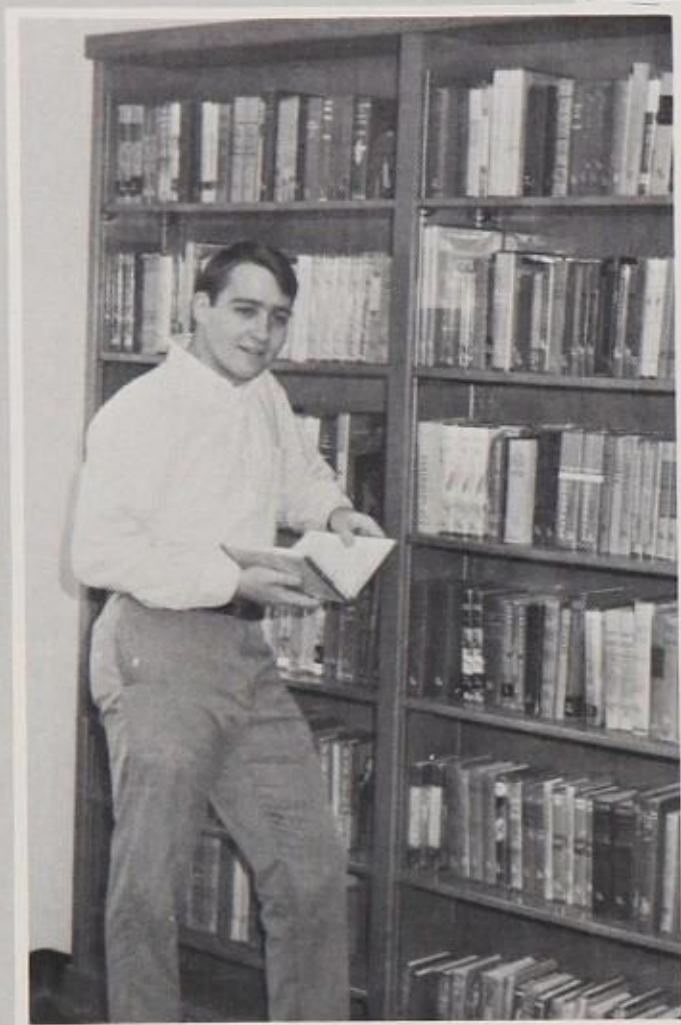

soldiers of yesterday and today. The performances of the band, filling us with pep, and the Glee Club, welcoming the holiday spirit, will long be remembered as well as losing our voices at those thrilling pep meetings and games.

Yes, these were just a few of the outstanding events during 1965-1966 which revealed the ever growing and expanding spirit of White Station in every phase of student life. The graduates leaving these friendly halls will always cherish the Spartans' fighting courage in the days ahead and may be assured that White Station will continue to "Rise to the Highest."

Hal was chosen "Teenager of the Week."

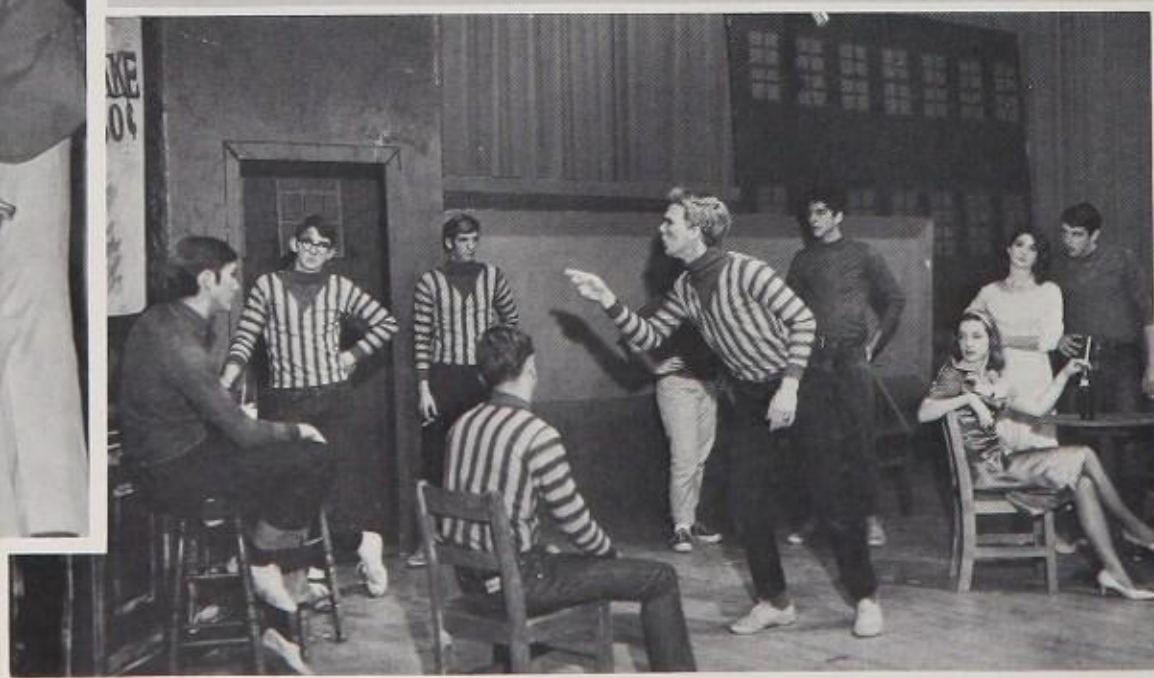

Spartan artists received ribbons at the Brooks Memorial Art Gallery Exhibit.

Few people realize the time and effort devoted to the publication of a yearbook. Beginning early in the spring, the new editors and staff outline the foundation for the coming year's annual. Meetings are held to explain and expound upon the functions of the various sections and techniques of successful salesmanship.

Confronted with many problems, such as loss of pictures, the changing of advisors, and the hectic chaos of meeting deadlines, the Editorial Board has spent a lively year. Because of the co-operation of the entire annual staff, our publication has been successfully completed. Setting its goals higher every year, the White Station chapter of the National Honor Society has been functioning for eight years. Members have maintained high standards of character and scholarship, and have exhibited enthusiastic service and leadership ability. Spartans who have met these qualifications with no less than a 3.2 scholastic average may be tapped during a dignified ceremony in the spring and fall. Under the direction of Miss LaRose Todd and Mr. Adrian McClaren, our chapter distributed Honor Roll ribbons, held the biannual induction and banquet, collected books for the needy, and participated in other school and community projects.

Recognizing outstanding staff members on White Station's three publications, the Cal Alley chapter of Quill and Scroll holds inductions twice a year. Those juniors and seniors who have excelled in some phase of high school journalism and have maintained a high scholastic average are honored with acceptance into this society.

Sponsored by Mrs. Marian Smith, Miss LaRose Todd, and Mr. Adrian McClaren, the members endeavor to improve the quality of their literary accomplishments and to promote interest in White Station's journalistic opportunities. The Publications Banquet in the spring is planned by the Quill and Scroll for all publication staff members.

Having fulfilled White Station's potential in music, about twenty-five Spartans compose Tri-M, or Modern Music Masters. This group under the supervision of Mrs. Jo Anne Luebkehan strives toward better musicianship through the school, church, and the community. Whether participating in the school musical, singing for assemblies, or playing in concerts, Tri-M serves by using its talents to the fullest. Members must have at least a "B" average in one of the school's music courses and a "C" academic average. They must also exhibit musicianship, leadership, and the proper attitude in sharing their accomplishments.

THESPIANS

The National Thespian Society, of which White Station is a member, is dedicated to the achievement and perfection of dramatic art at the high school level. Wide in scope, its purpose is not only to honor qualified members, but also to nurture dramatic appreciation in the teenage community. First semester the Thespians presented *THE HASTY HEART* and the musical *WEST SIDE STORY*—both successes.

In the spring the society honors outstanding actors and actresses at the annual banquet. The highlight of the year was a trip to the Southern Speech Convention held in Miami, Florida.

During the past eight years the White Station High School Band, under the direction of Mr. Vergos, has evolved into one of the finest instrumental organizations in West Tennessee. Last year it was the only band to capture three superior awards at the West Tennessee Solo and Ensemble Contest, taking two first in orchestral and one first in dance band ratings. The band plans a trip to Six Flags Over Texas this year in accordance with the trips to festivals previously. As always, the Spartan Band is ever eager to aid in any extracurricular activities, such as football games and musicals. White Station's band thus sets the supreme example for musicianship in the instrumental field.

Band members stir Spartan spirit during pep meetings.

Spartans proudly express their gratitude for the many years of faithful service Judy Reed has devoted to White Station. For twelve years our Feature Twirler has performed with the band, beginning as a mascot in the first grade. During this time she has received over three hundred awards. Every year since 1953 she has placed first in the West Tennessee Band Contest and a few years ago she was honored with first place in the All American. This being Judy's last year, we regretfully say good-by with heartfelt thanks.

PRODUCTIONS

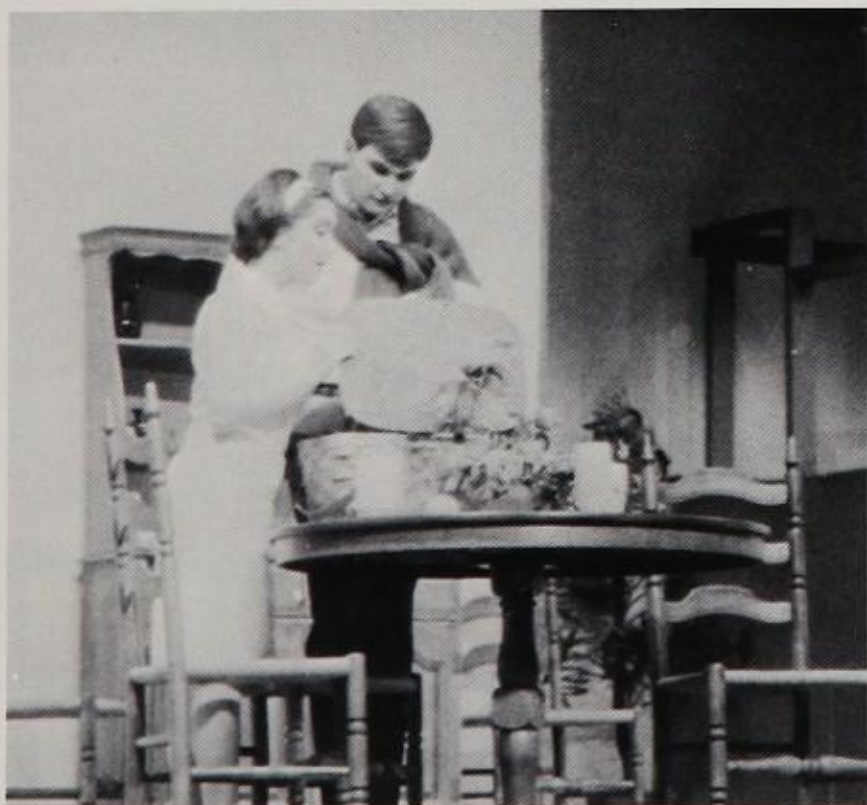

The Hasty Heart

The Speech Department with Mr. Eugene Crain directing presented THE HASTY HEART first semester to an enthralled audience. This production was only one example of the many fine plays enacted and produced by Spartan students.

The Boy Friend

Directed by Mr. Eugene Crain and Mrs. JoAnne Luebke, last year's musical THE BOY FRIEND proved to be another successful and enjoyable presentation. With the combined efforts of the Vocal, Speech, and Instrumental Music Departments, THE BOY FRIEND was the result of many enthusiastic and talented Spartans.

Seventeenth Summer

Annually directed by Mr. Adrian McClaren, the Senior Class Play is a highlight of each year. The graduates of 1965 presented SEVENTEENTH SUMMER, an entertaining and humorous production.

STORY

The seventh annual musical of the Speech, Vocal, and Instrumental Music Departments was presented by an accomplished cast on November 18 and 19, 1965, in the Spartan auditorium. *WEST SIDE STORY* certainly proved to be a fine display of White Station's talent, enthusiasm, and co-operation.

Headed by Jane Farrimond and Robert Horne, the large cast of actors performed to an enthralled audience of students, faculty, parents, and other guests. Along with Sandra Jetton, Gordon Bryant, and Larry Blackburn, an able and devoted group of supporting players joined the ranks of the Jets and the Sharks in creating anxious, sorrowful, and joyous emotions. Under the keen direction of Mr. Eugene Crain, each turned in a performance of the highest quality.

DE STORY

Conducted by Mr. Nick Vergos with piano accompaniment by Rick Greenwood, the White Station orchestra played the difficult pulsating music of Leonard Bernstein with skillful technique. The voices of the chorus and the principals were beautifully trained by Mrs. Jo Ann Luebke. Choreographers, Mr. Ray Edelstein, Noel Noblitt, and Ginger Vaught, staged appealing dance numbers.

It would be impossible to pay individual tribute to all the many students who participated on the stage and behind the scenes in presenting this excellent show. However, praise and admiration are extended to the actors, directors, artists, stage crew, prompters, make-up and costume assistants, and promotion managers for a highly enjoyable and top-rate performance.

After a pre-season ordeal at football camp in Durant, Miss., the Spartans returned home full of the fighting spirit and determination which led White Station to its first Eastern Division Football Championship. Sparking our team's first perfect season was their 7-0 victory over the Frayser Rams. A roll-out pass from quarterback Jimmy Wittenberg to halfback Larry Busby put our Spartans on the scoreboard, and then the soon to be famed Spartan defense put the game on ice. The next Friday, workhorse Walter Johnson was the key to the Spartans' victory over MUS, 7-6. Again our defense sparkled, as MUS gained only 15 yards rushing. After smashing CBC, the Spartans rolled over East 13-0. The game was highlighted by a spectacular 82-yard sprint to the end zone by fullback Dan Kuiken. Controlling East's big offensive line, the Spartan defense surrendered only 6 yards on the ground. Westside was the next team to bow before the Spartan wall, 28-0. The Spartan offense scored as often as it touched the football; and our pass defense, which proved to be the best in the city, pulled down 3 interceptions with monster-man Steve Timmons returning one 20 yards for six. Treadwell offered little resistance as the Spartans rolled for 308 yards on the ground and a 28-0 victory.

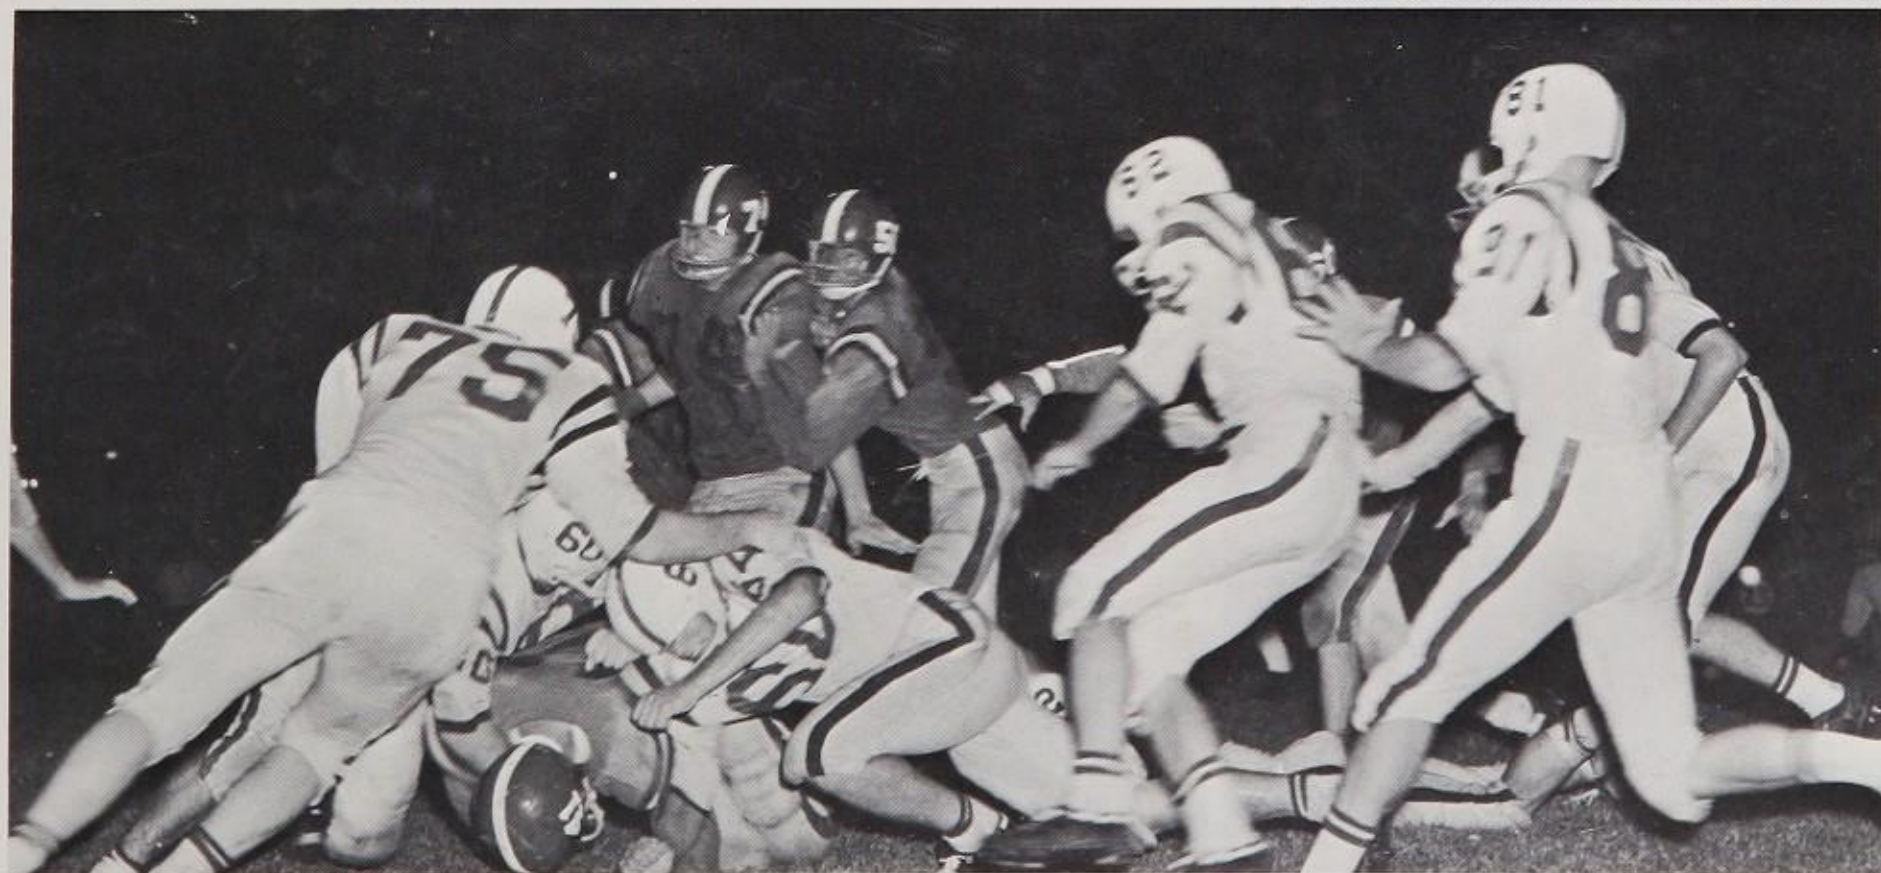

Spartan defense shows its famed effectiveness.

On Homecoming Night, the Spartans hit hard to down Messick 21-0 and remained the Prep League Eastern Division's only undefeated team. Fullback Walter Johnson scrambled 66 yards to set up our first score by quarterback Jimmy Wittenberg. In the second half halfback Chuck Clark went all the way on a dazzling 82 yard punt return. An overflow crowd watched the Spartans put tough Overton on the turf, 13-0. With the game still dangerously close, 6-0 in the 3rd period, halfback Ronnie English broke Overton's back by returning a punt, which was blocked by tackle Eddie Perkins 36 yards for a touchdown. Only Kingsbury stood between the Spartans and the Eastern Division Championship, but not for long, as we routed the Falcons 42-13. Capping a perfect season and 10 straight wins, we defeated tough Oakhaven 7-0.

Throughout the season the Spartans line was always out-weighted but never out-classed. Guards John Weiss and Mike McMaster were invaluable with their speed and quickness. Tackles John Carlson, Eddie Perkins, and center Mike Hankins provided the foundation and power while ends Bob Zinn and Mike Bradley protected the flanks. Our smallest starter, J. C. Orr, gave our defense its reputation of checking the opponent's offense.

The combined efforts of the student body, Coach Floyd, the coaching staff, and the football players propelled the Spartans to a coveted 8th place ranking in the state prep football standings.

Main objective—get that ball

WSHS . . . 7 CBHS . . . 6

All loyal Spartans date time from the greatest night in the annals of White Station history, the night the Spartans' football team shook the city and handed Christian Brothers High School their first prep league Eastern Division defeat, 7-6. In the first quarter, after gaining a first down on the Brothers' 2-yard line, a bruising tackle forced a Spartan fumble, and the football went to the CBHS offensive. Early in the second quarter a high snap from center prevented the Spartans from punting, and the ball was turned over to CBHS on our 20-yard line. From there CBHS's fullback Roy Robilio in 3 carries crashed to the 1-yard line, and the halfback Mike George slammed over for 6 points. The Brothers made 2 futile attempts for the extra point. Fighting the clock, our Spartans roared back and drove deep into CBHS territory where a touchdown bound pass was intercepted in the end zone. At the half CBHS had gained only 1 first down as compared to 9 by the Spartans, but CBHS was on the scoreboard and the Spartans were not. The action moved even faster in the third quarter as the Spartan defense made 3 determined goal line stands. Adjusting to a more aggressive defense, end Mike Bradley recovered a CBHS fumble on our own 26-yard line. It was now or never for the weary Spartans. Climaxing a 74-yard drive, quarterback Jimmy Wittenberg smashed over from the 3 to tie the score. With the extra point, the victory belonged to the Spartans 7-6.

The winning touchdown

CHAMPIONSHIP GAME

Catholic . . . 7 WSHS . . . 0

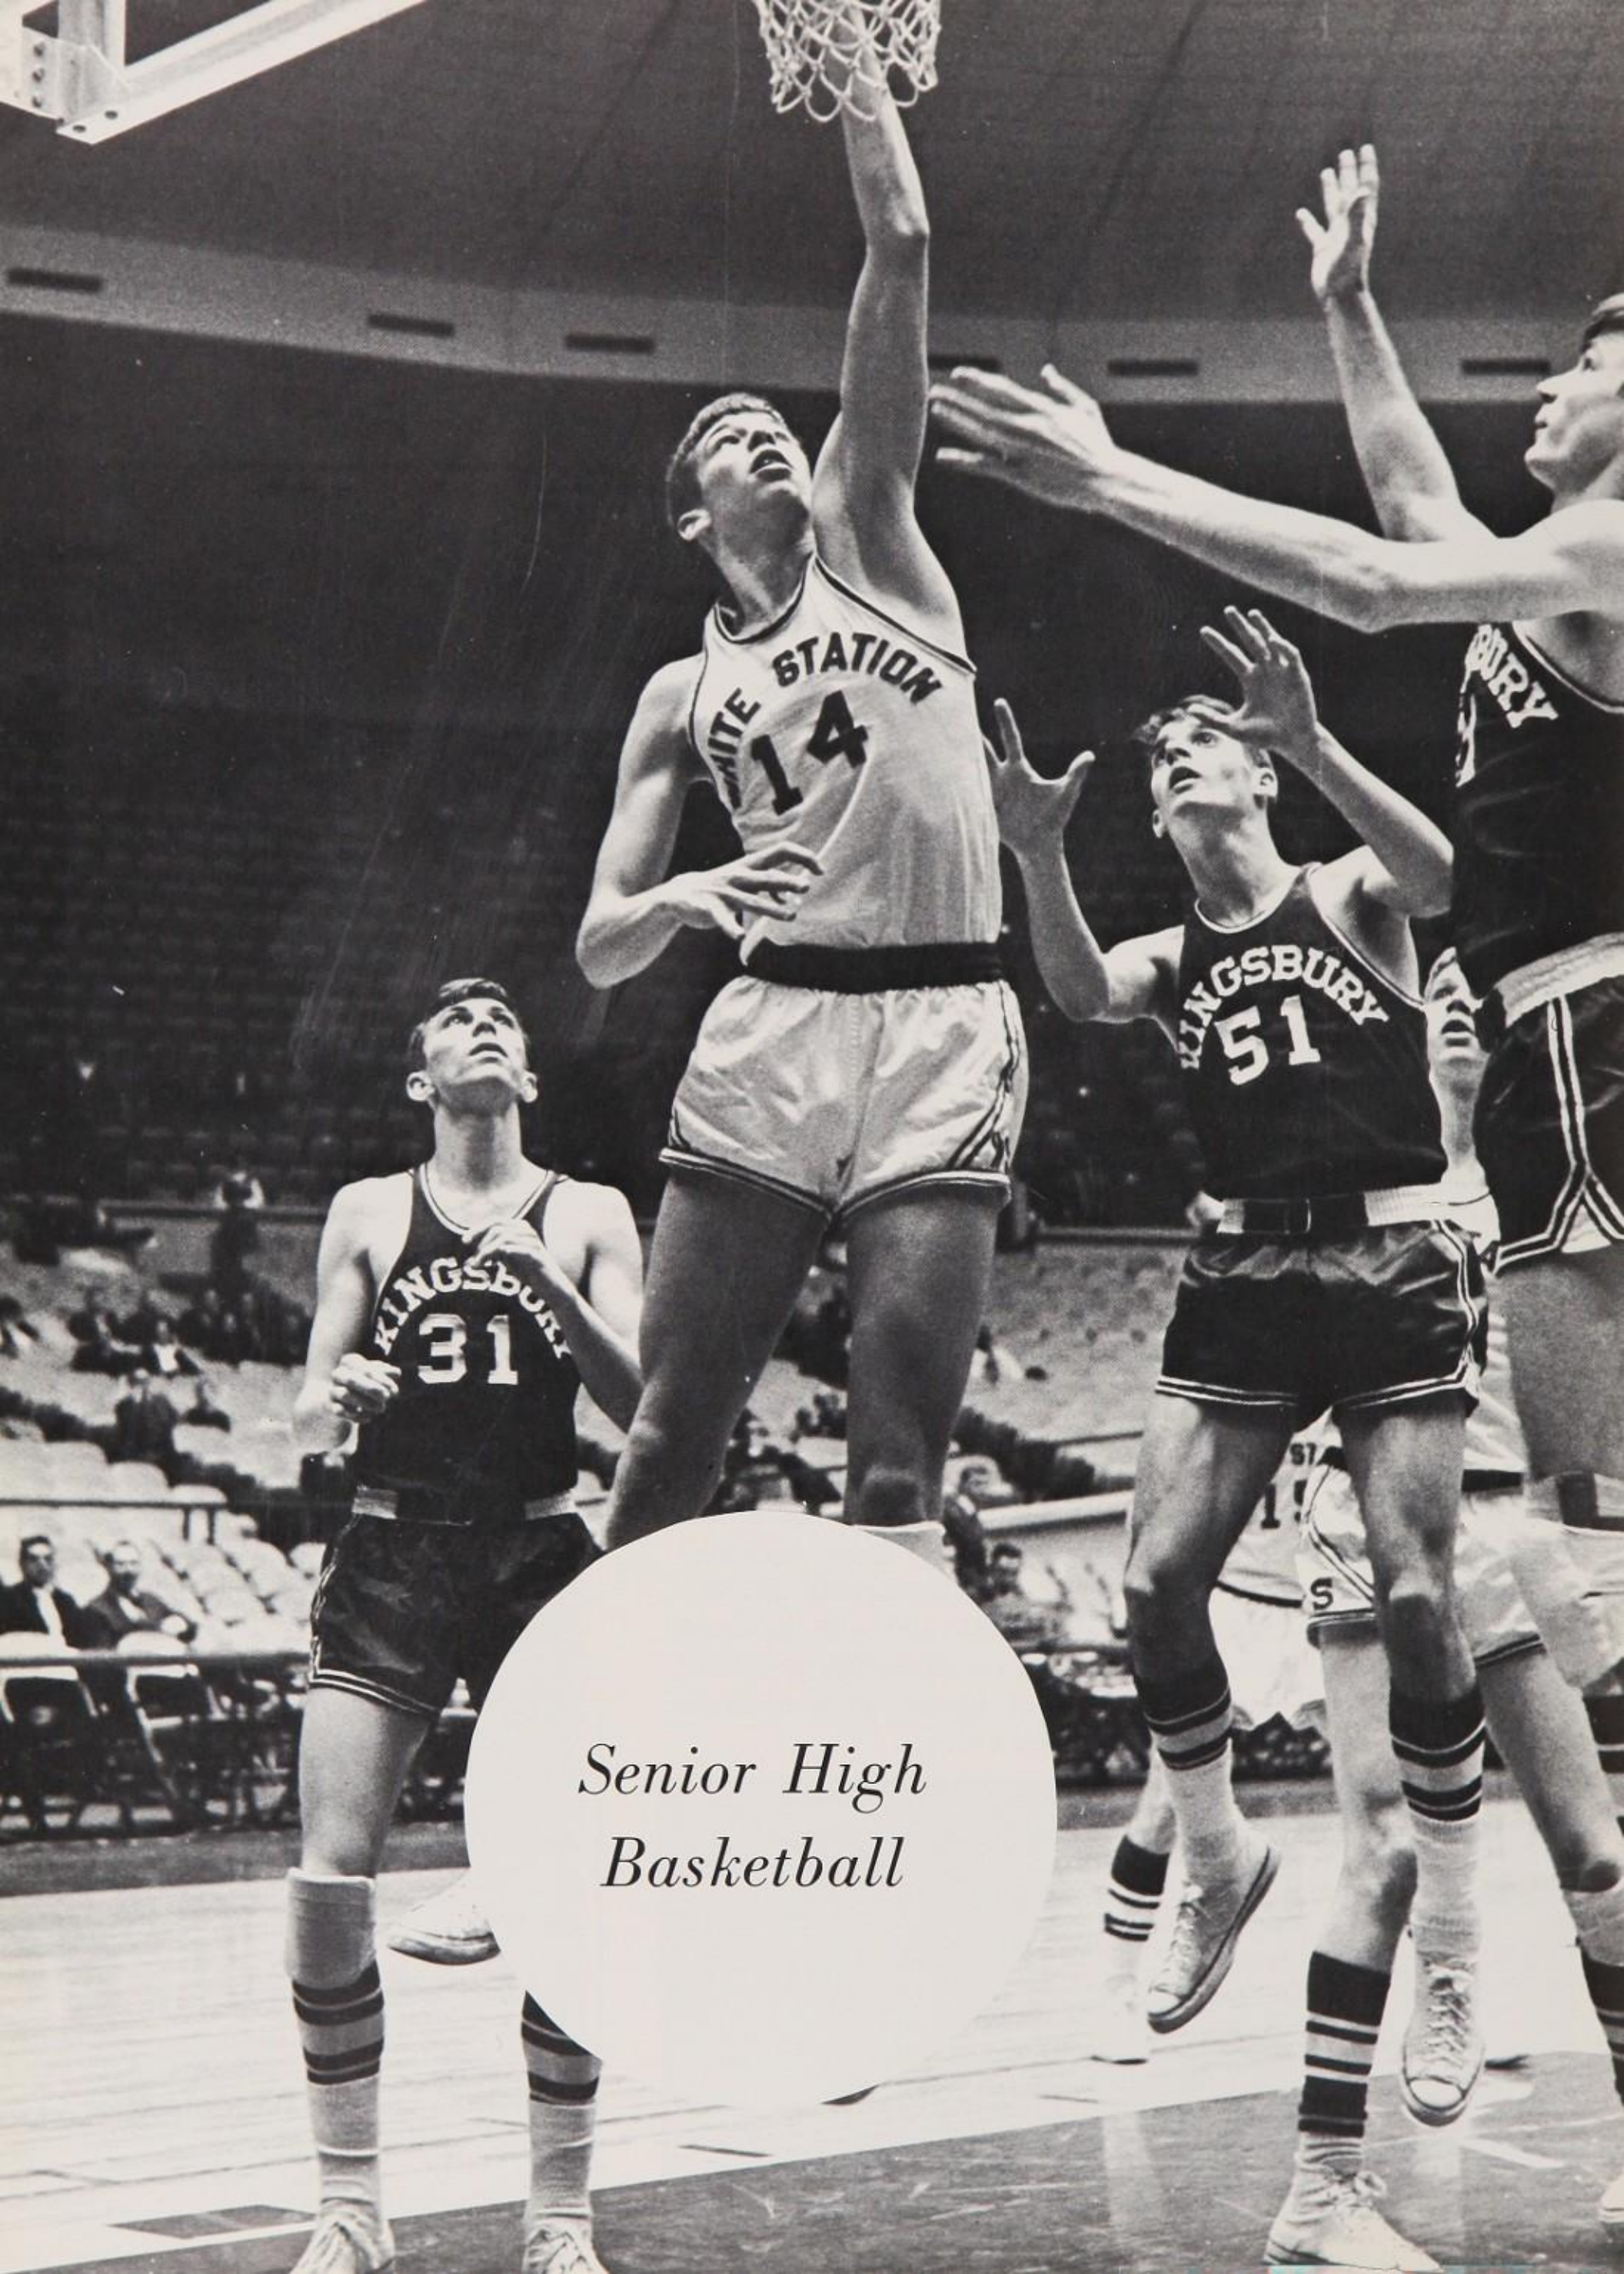

Climaxing the most successful season in the history of Spartan Football was the opportunity to compete in the Memphis Prep League Championship Game in which we suffered a narrow 0-7 defeat at the hands of Catholic. Facing the most explosive team in the state, the Spartan defense, hampered by injuries to linebacker Mike McMaster and tackle John Carlson, had met its match. The game stood as a fierce deadlock until the evasive rushing of Catholic fullback Ray DeAngelis and quarterback Steve Leech moved the ball to the Spartan 6. Proving its worth, our line halted the Catholic offense for 4 plays and caused a fumble. Lady Luck stood with Catholic, though, as a penalty gave the Terriers another crack at the touchdown from inches away, where Leech leaped over the Spartan defense with 54 seconds left in the first half. The extra point was good, and the score was 0-7 to the dismay of the Spartans. Early in the third quarter the Spartans posted a serious threat as Wittenberg hit Larry Busby for 10 yards and Walter Johnson swept around the end for 13 yards to the 50. There a personal foul penalty against the Terriers moved the ball even deeper into Terrier territory. Following several thrusts by fullback Dan Kuiken, the march was halted on the Catholic 22. Utilizing ball control, the Terriers then ran out the clock with the score, 0-7. As the dejected Spartans left the field, the chant "We are proud of you" resounded from the Spartan stands. It was a battle of champions, but there must always be a winner and a loser.

Basketball*

BASKETBALL TEAM—FIRST ROW, left to right: Kelley, Bleimeyer, Roberts. SECOND ROW: Parham, Vergos, Kubik, Tebbe, Smith, Hopper, Ashley, Shipley.

White Station's basketball team proved to be one of the best ever by producing a 14-9 record. Opening with wins over Blytheville, Sardis, Catholic, Central, Humes, and Southside, the Spartans found themselves ranked among the top twenty teams in the state.

The Prep League was opened with a devastating 67-27 defeat of Oakhaven. The next game, with Overton, was called by some, "the most exciting game ever." Before a sell-out home crowd, Austin Smith hit a paid of clutch free throws with just nine seconds left to send the game into overtime. It took two extra periods for Overton to finally beat the Spartans, 51-46.

The team played inconsistently throughout the Prep League season until their second meeting with Treadwell. By employing slow-down tactics, we were able to enter halftime with a ten-point deficit, 23-13. The Spartans remained in their stall for most of the third quarter. Then, without warning, we went into a wide-open attack. Before Treadwell could recover, they were behind, 27-26. Only by virtue of fourth-quarter free throws was Treadwell able to pull this game out.

The next seven days found things rather hectic for the Green and Gray as we played four games. Again playing like champions, the team avenged an early defeat by crushing Messick, 74-59. In that same week the Spartans also downed East, 64-54, C.B.H.S., 70-53, and Jackson Southside, 52-49.

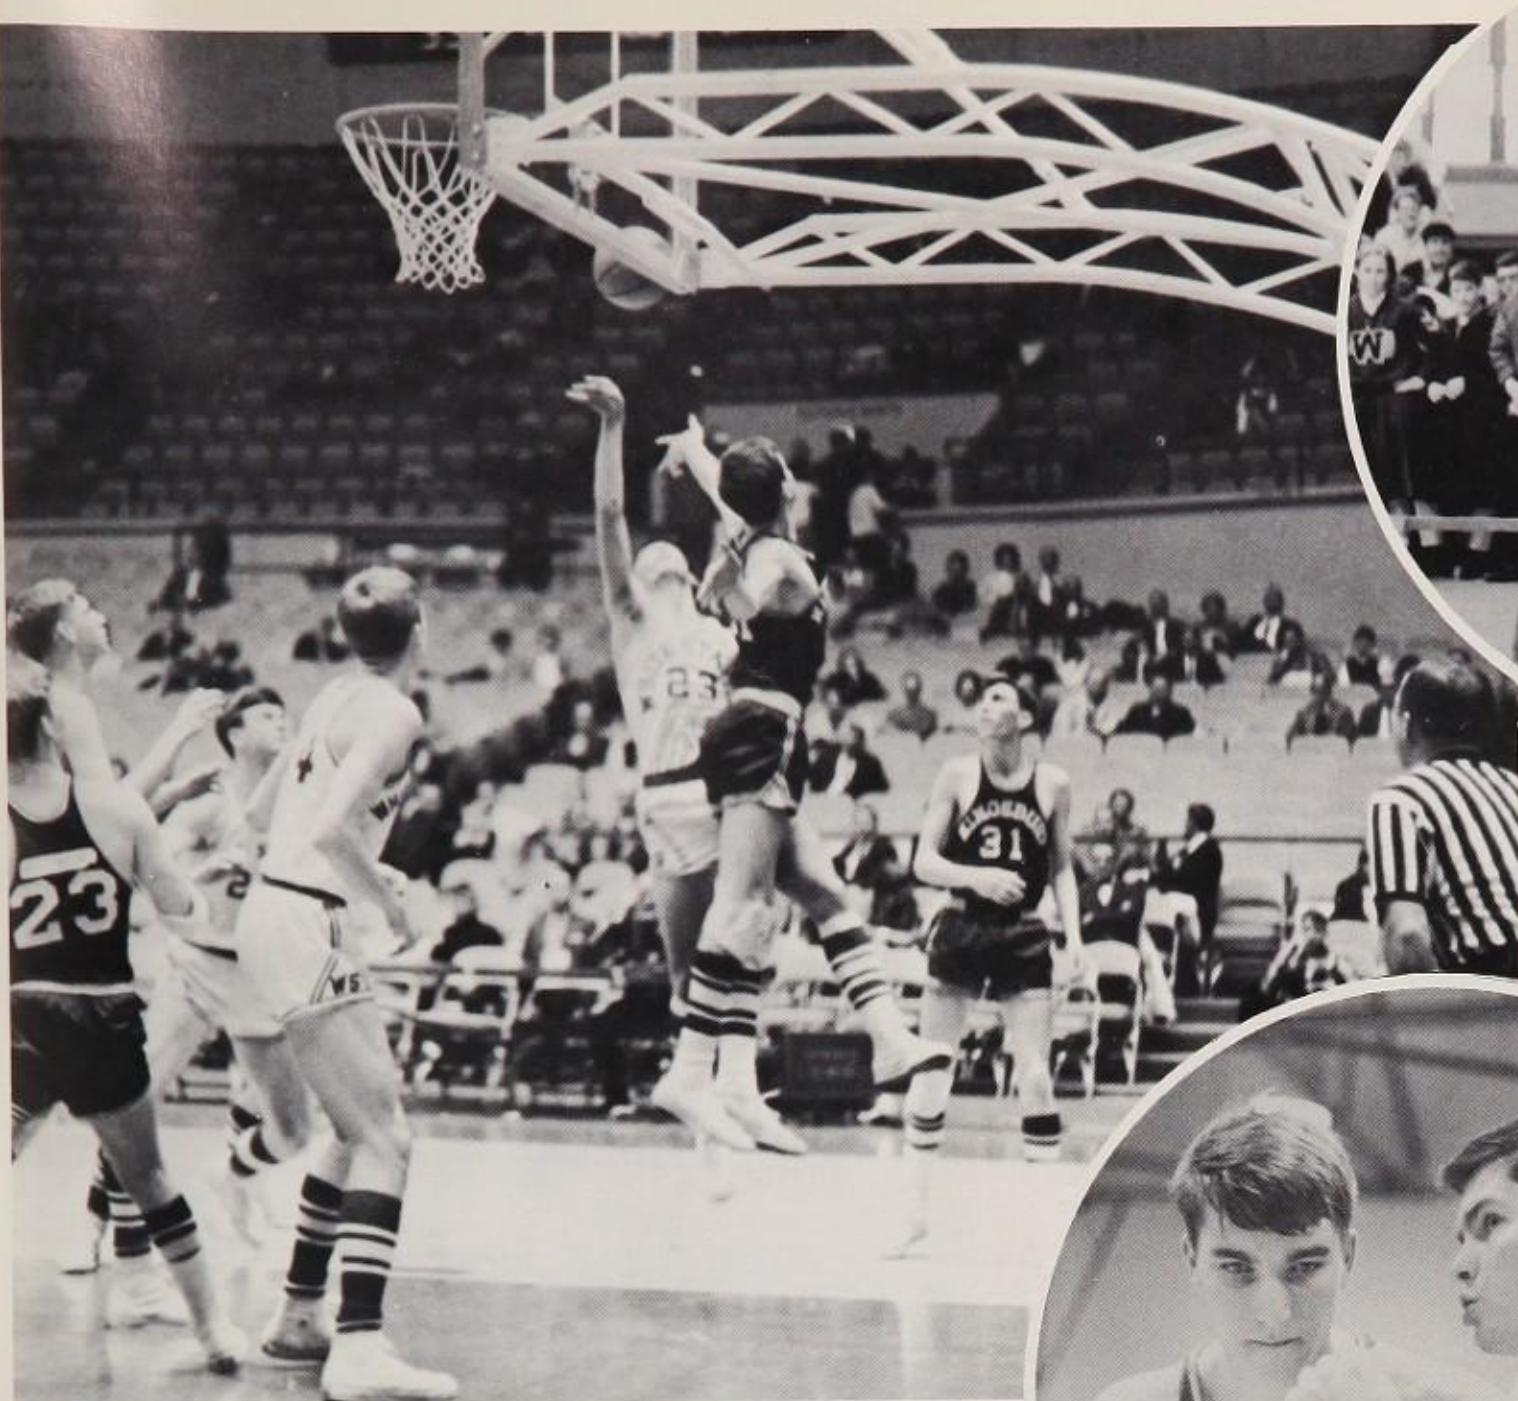

By ending the season with a fine 14-9 record, the basketball team produced its best record since 1960, and the 1966 Spartan team became the first ever to be ranked in the state.

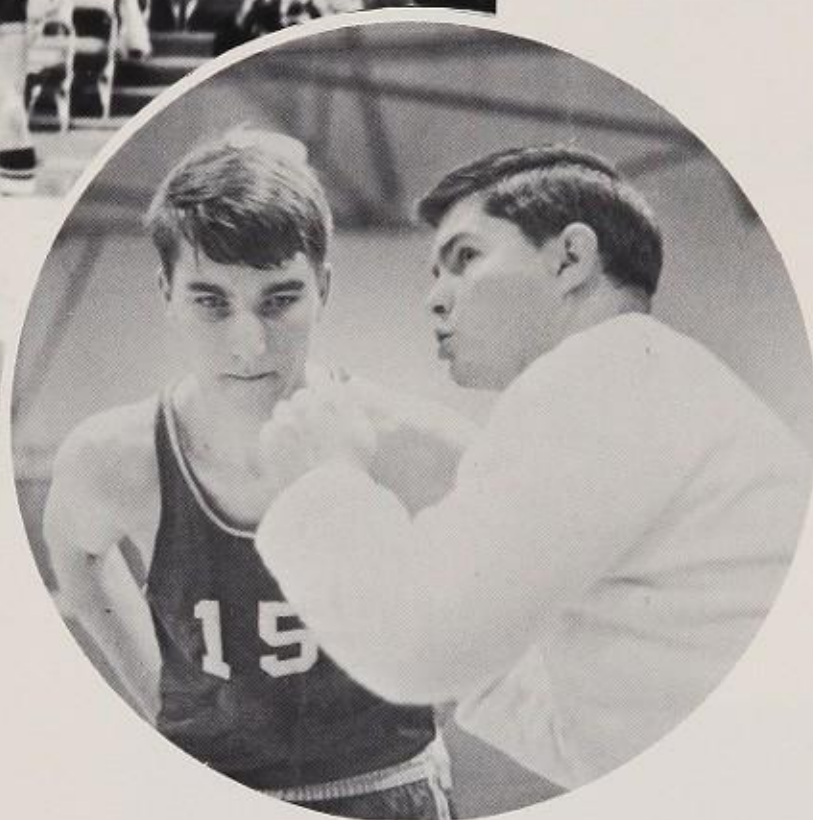

The General regroups his forces and plans the attack.

"B" Team

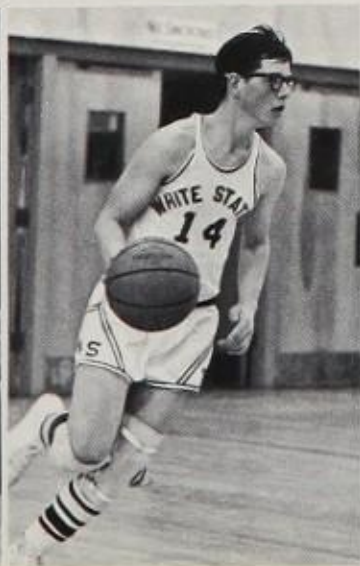

Under the leadership of Coach George Holt, the Spartan "B" team produced one of the finest records in the city by finishing the year with 15 wins and only 5 losses. Led by captain Robert Tayloe, the team ran up a streak of twelve straight wins before losing to Overton, 36-35. Undaunted by this setback, the "B" team was extremely impressive in their next two games, soundly beating Treadwell, 46-36, and Jackson N.S., 63-37. Injury and illness attributed to the only other defeats as three regulars were unable to play. The Green and Gray regained their former poise and ended the season by beating tough Kingsbury, 45-42. The determination and outstanding play of the "B" team made it apparent that White Station will be one of the better teams in the years to come.

SENIOR HIGH BASEBALL TEAM—ROW 1: McMaster, Streicher, Kisner, Busby, Nowlin, Miller, Johnson, Steele. ROW 2: Belcher, Baker, Walker, Bradley, Bleimeyer, Orr, Butler.

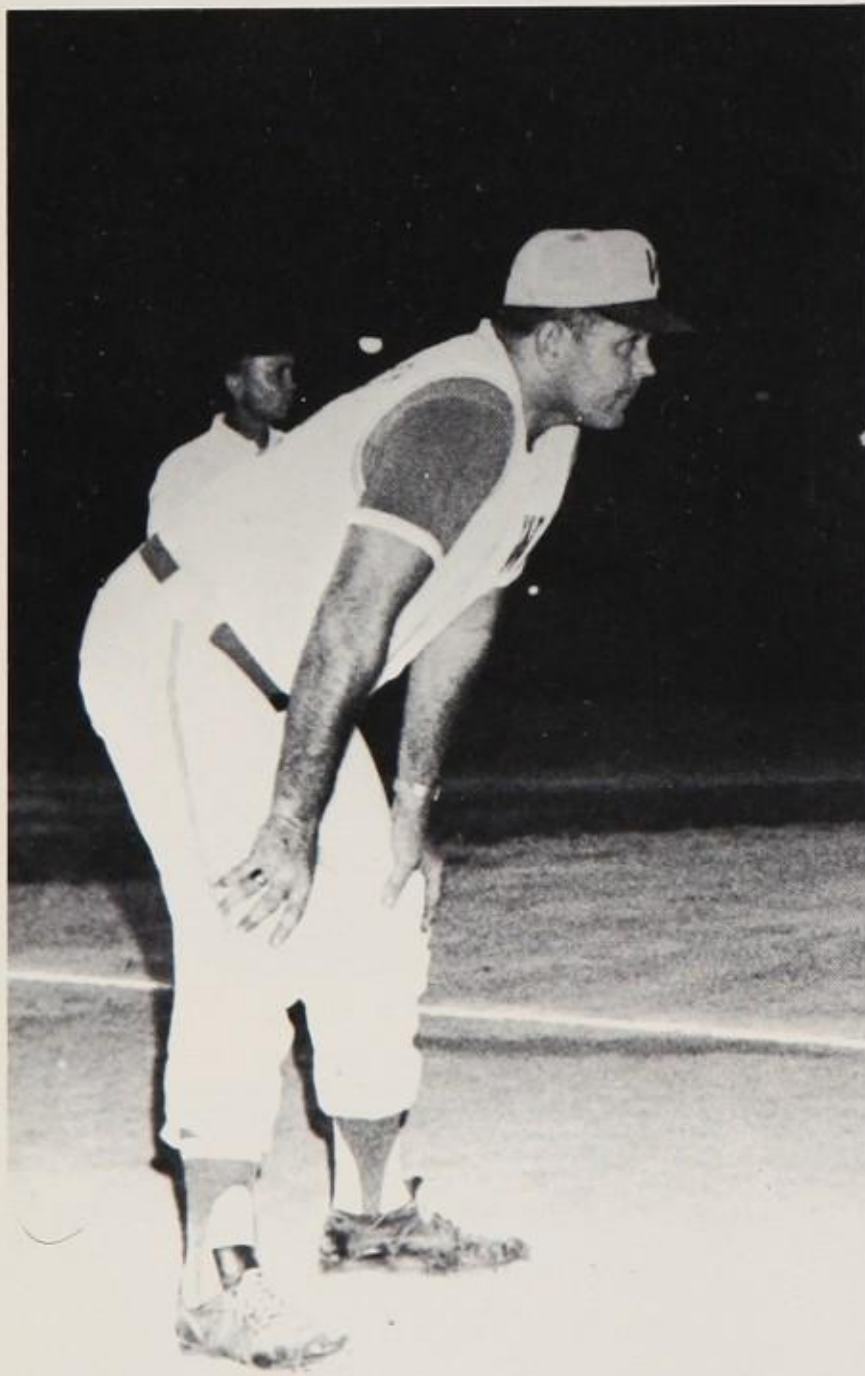

White Station's Senior High Baseball Team finished the season with a 7-5 league record and landed in a third-place tie in the Eastern Division with the Overton Rebels. Phil Steele combined batting ability with excellent pitching to be chosen to the first team All-Memphis selections. Steele reached his prime against Messick as he pitched a three-hitter and struck out thirteen men. Spartan batters were outstanding all season. Mike Bradley and catcher Buzzy Belcher supplied the team with many needed hits. During the last half of the season the Spartans captured three out of four games and avenged earlier defeats from Messick and CBHS. They undermined Messick on Steele's pitching and Bradley's three-for-four hitting. CBHS was beaten despite a 3-3 deadlock, which lasted until the eighth inning when Johnny Walker smacked a single. He was advanced to second by a sacrifice by Belcher and scored the winning run on Steele's nicely-placed single. A loss to Overton and a win over East ended the Spartan baseball season.

Senior High Track

Last year the senior high track team accumulated an admirable 4-1 record. Both Dick Cockrell and Jim Murphy qualified for the Regional Meet in the high jump. Charles Cameron and Lem Eatherly were the sprinters from White Station to qualify, but Eatherly was injured and wasn't able to participate.

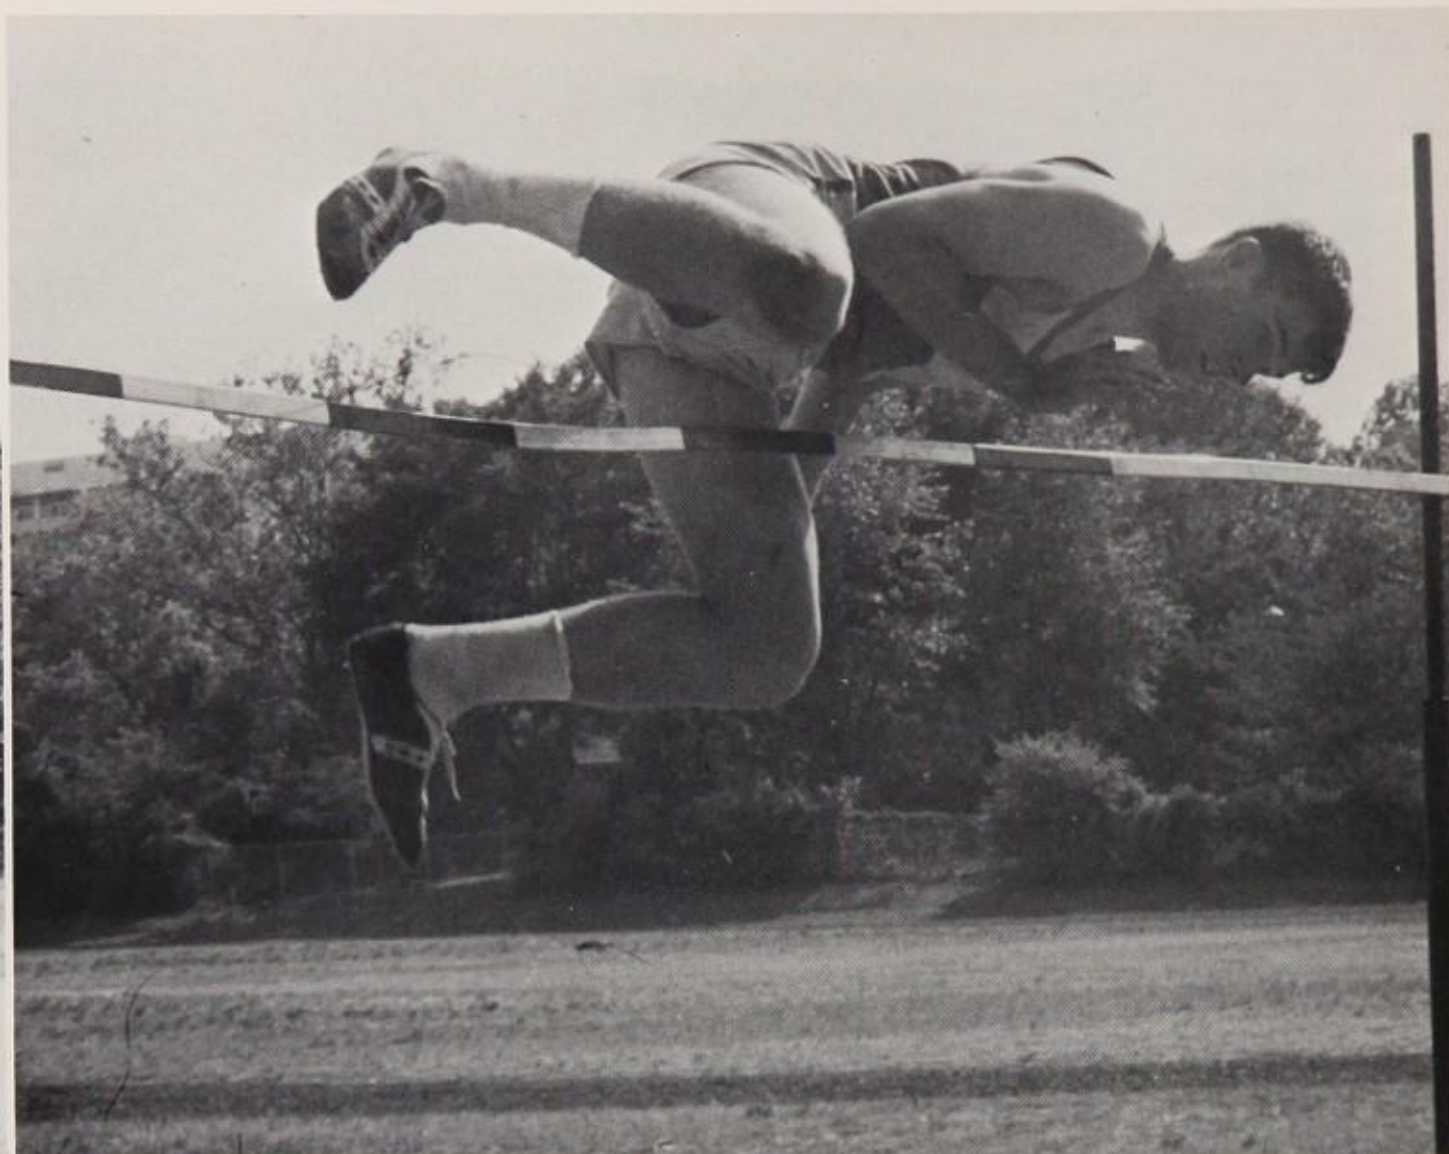

This season the Sparts expect to lose three of their top five sprinters, but Ronnie English and Steve Timmons will return to bolster the Spartan attack. Joe Berryman should be outstanding in the pole vault, and Tommy Bellott will be one of the best in long distances.

Triplet hurls the discus.

TOP: Dick Cockerell easily clears the high jump bar.

BOTTOM: Wilborn, Eatherly, Cameron, Timmons, and English represent the top Spartan sprinters.

TOP: Quigley and Green simultaneously step over the hurdles.

RIGHT: Johnson sails easily over the high hurdle.

BOTTOM: The Spartan relay team displays its outstanding ability.

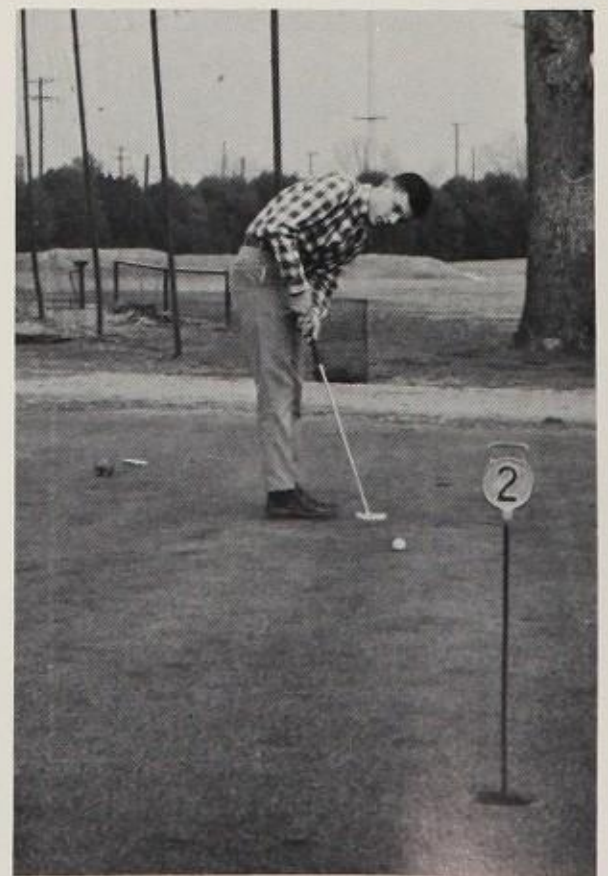

SENIOR HIGH GOLF TEAM—Jimmy Wittenberg, Lee Walker, Calvin Baker, Billy Parham.

Senior High Golf

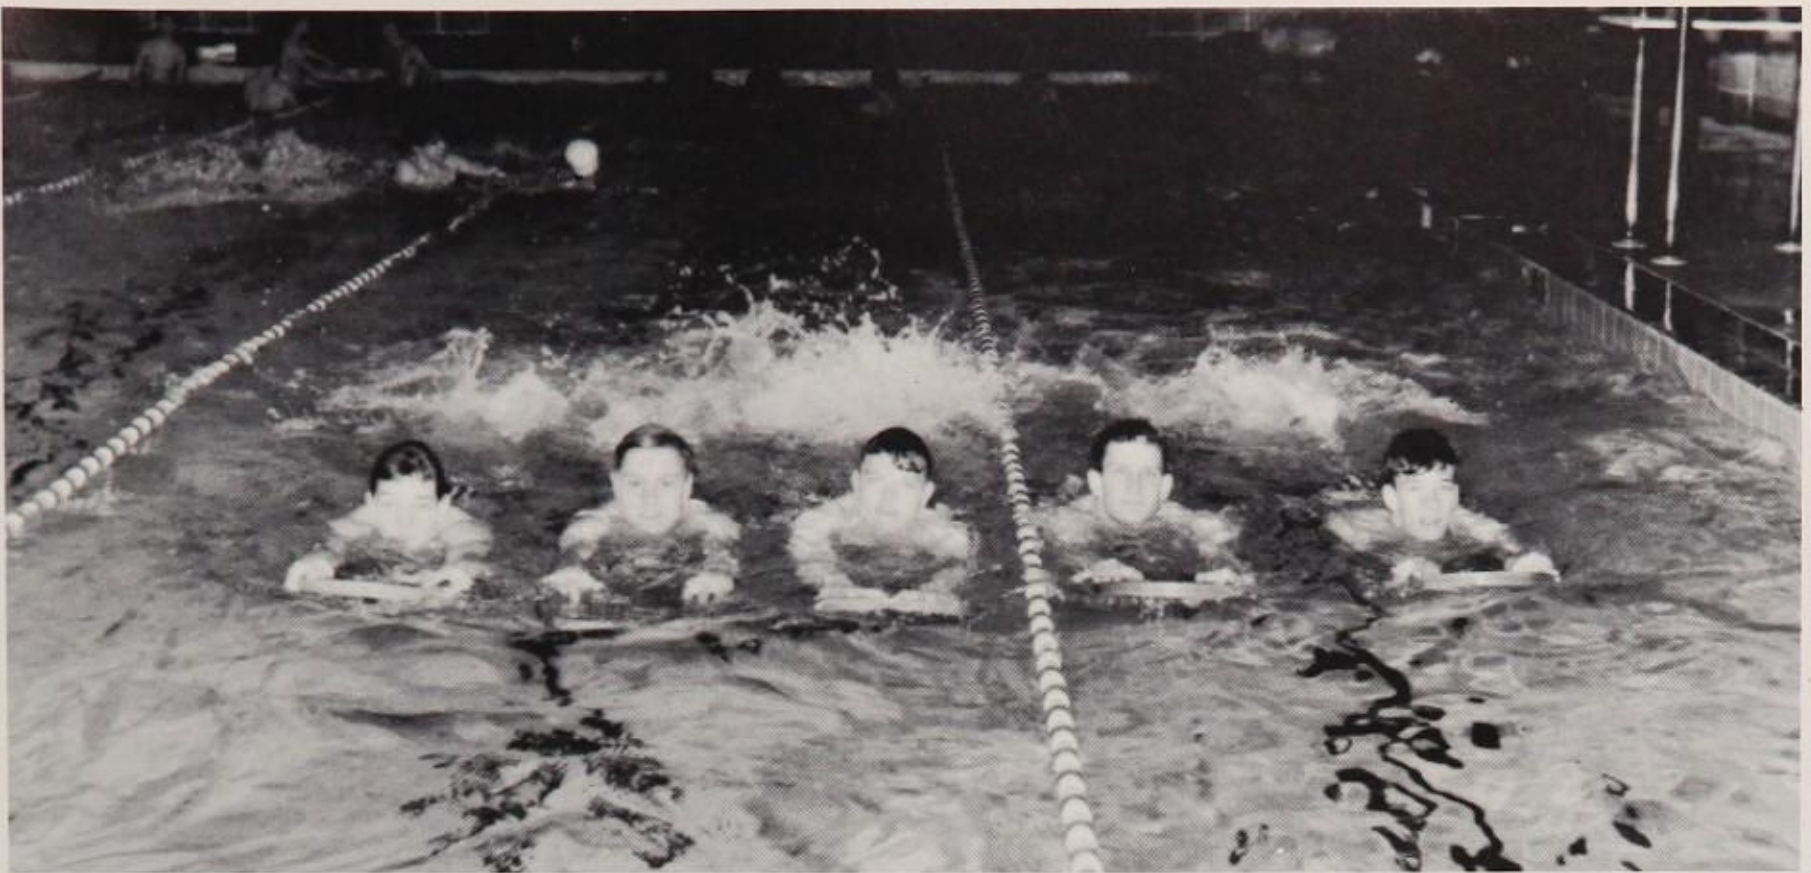

Jimmy Wittenberg produces a long drive.

The Senior High Golf Team registered four wins and four losses last spring. They placed third in the City Match, missing first place by three strokes and second place by only one. Jimmy Wittenberg not only captured scoring honors for this match but also qualified for the State Match along with Bob Pate.

Lee Walker watches the golf ball, destined to fall into the cup.

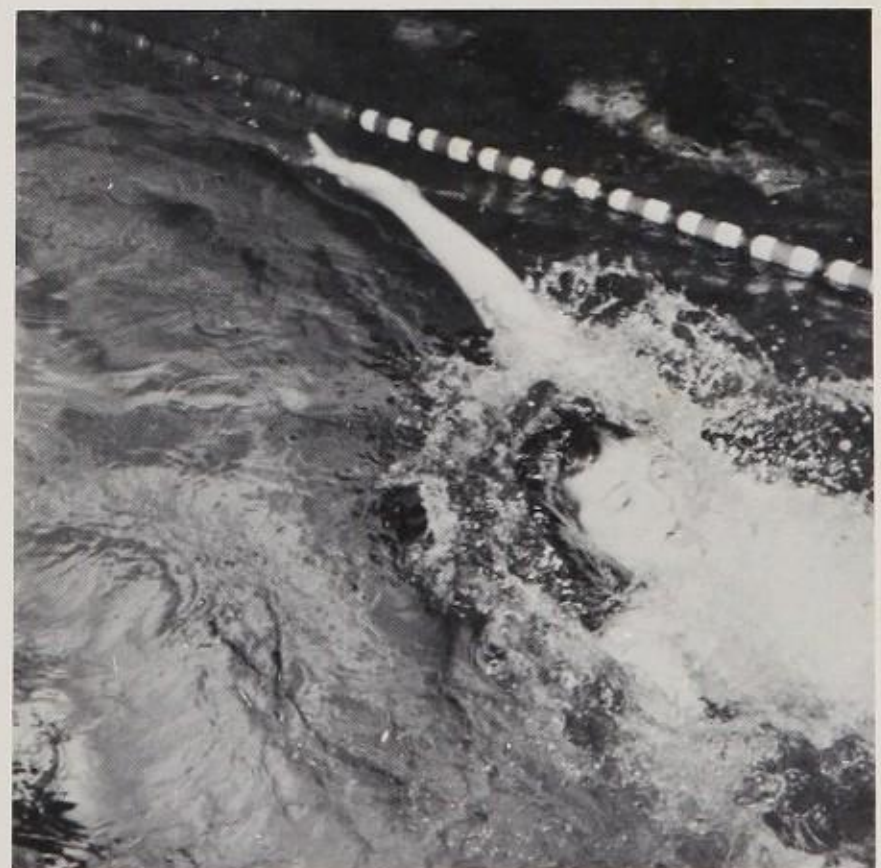

SENIOR HIGH SWIM TEAM: Holmes Ryan, Louis Edelson, Tom Durham, Bruce Parker, and Steve Clark.

Senior High Swimming

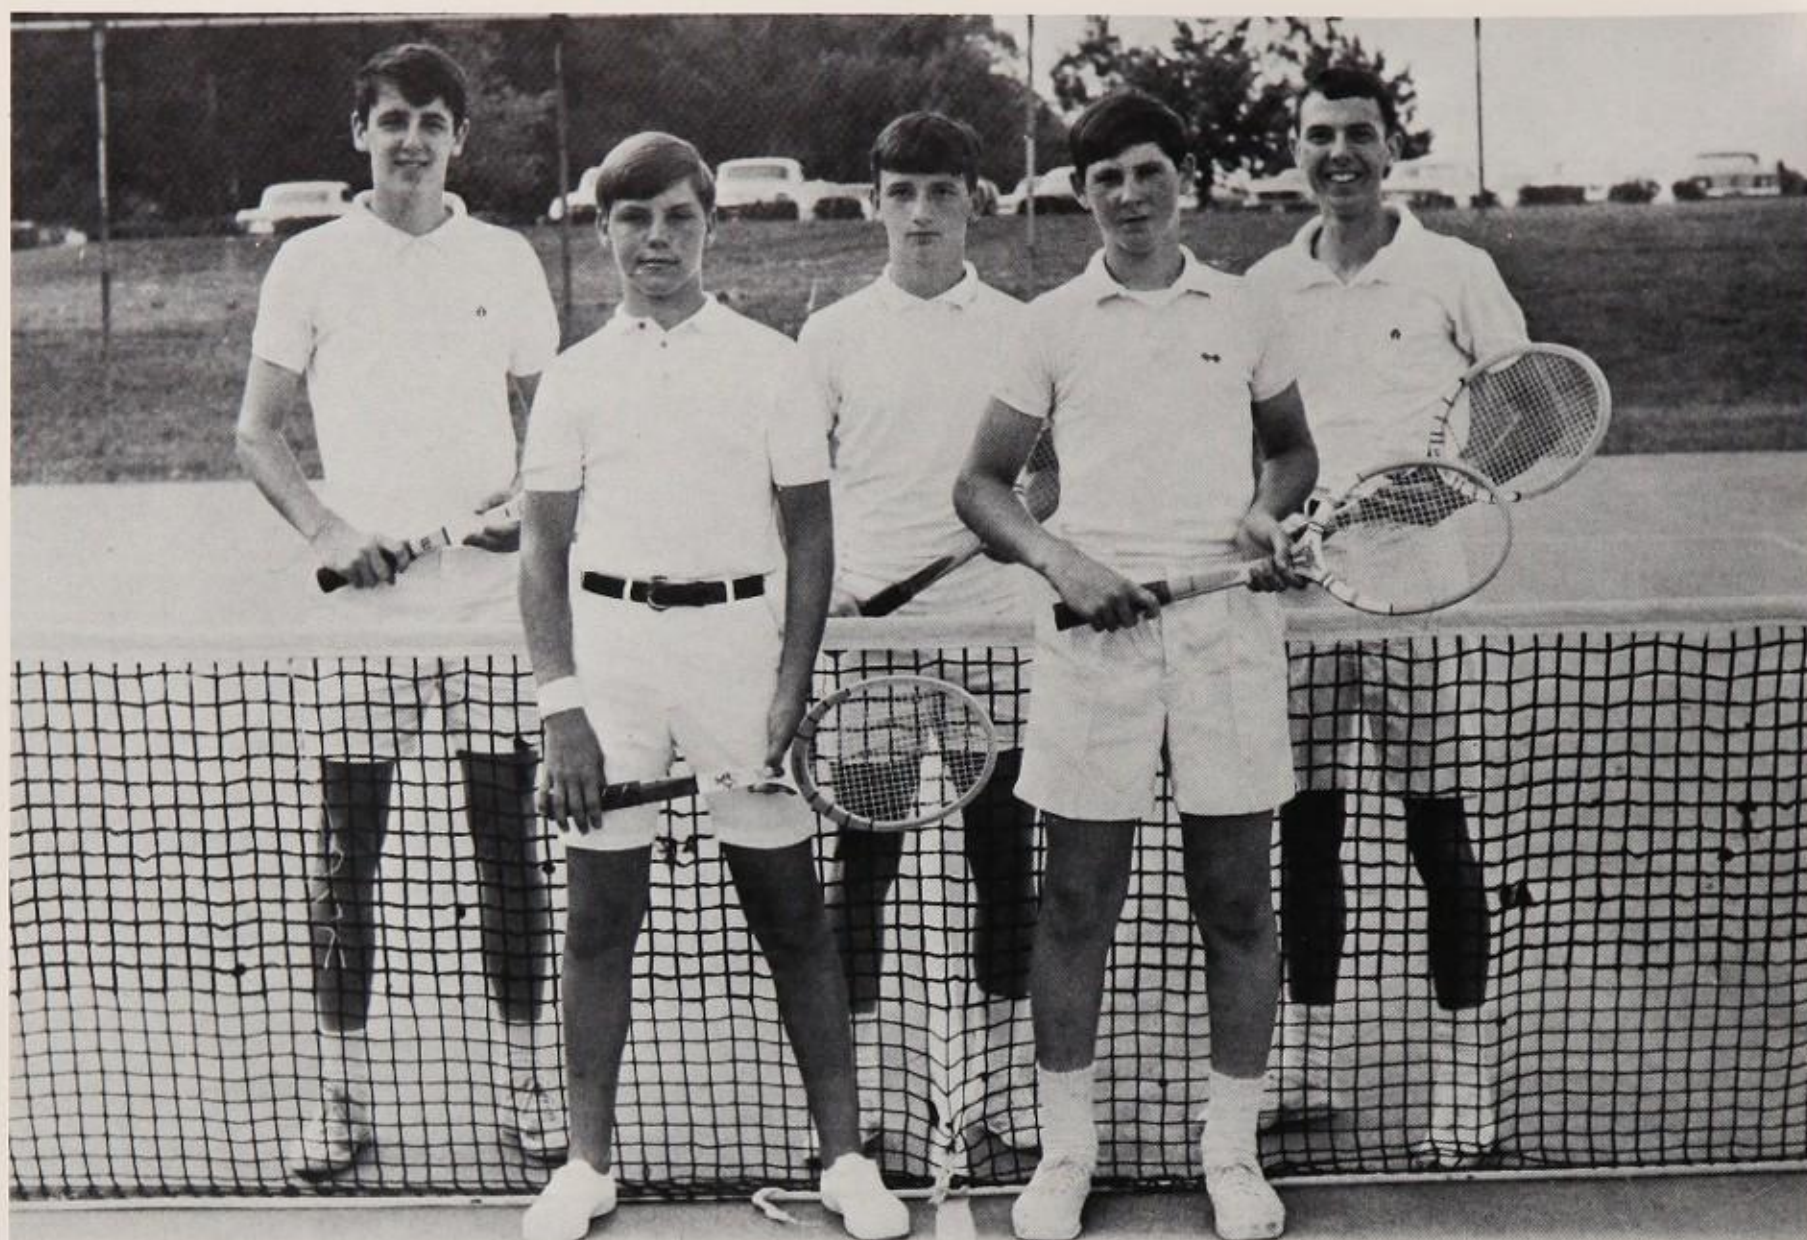

The Senior High Swimming team under Coach Larry Heathcott had one of its finest seasons. The team was led by nationally-ranked seniors Jan Kubik and Bruce Parker. Kubik raced to a city meet record in the 200-yard individual medley, and Parker won the 100-yard breaststroke. Holmes Ryan broke his former record in the 100-yard backstroke, while sophomore Steve Clark tied the mark in the 100-yard butterfly. Clark in fly and free and senior Tom Durham in free were consistent double winners in triangular meets.

Tom Durham takes to the air for a racing start.

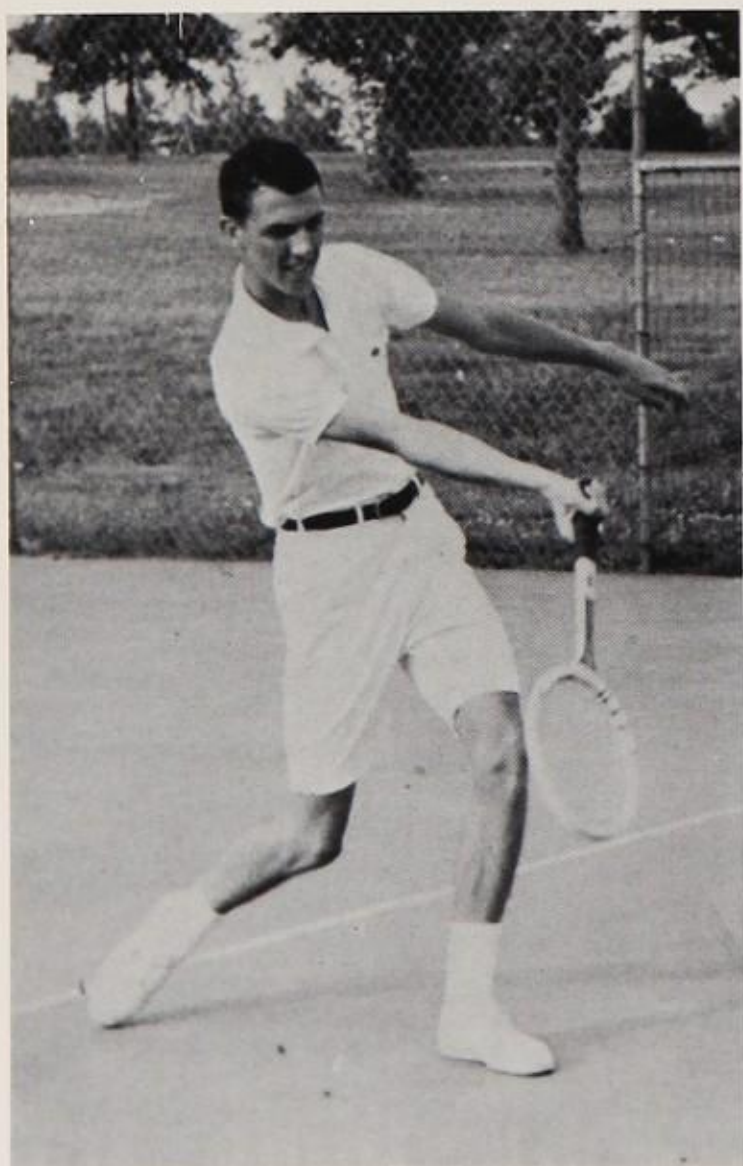

Holmes Ryan shows fine form in the backstroke.

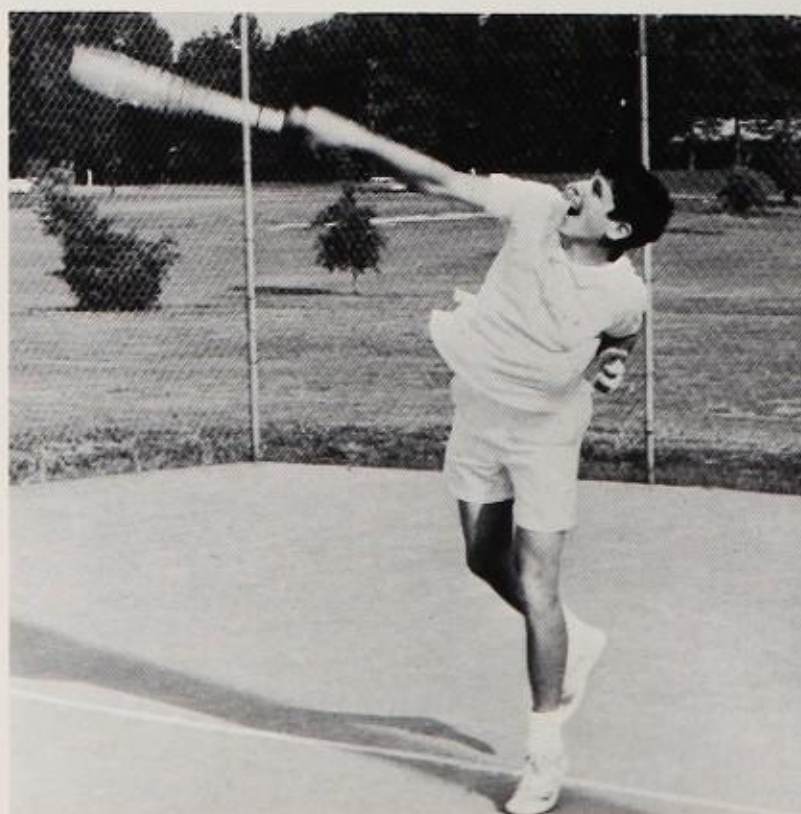

SENIOR HIGH TENNIS—Mike Allderdice, Jerry Murley, Bobby Pierce, Brian Bendersky, Jon Housholder.

Senior High Tennis

Jon Housholder exhibits Spartan form.

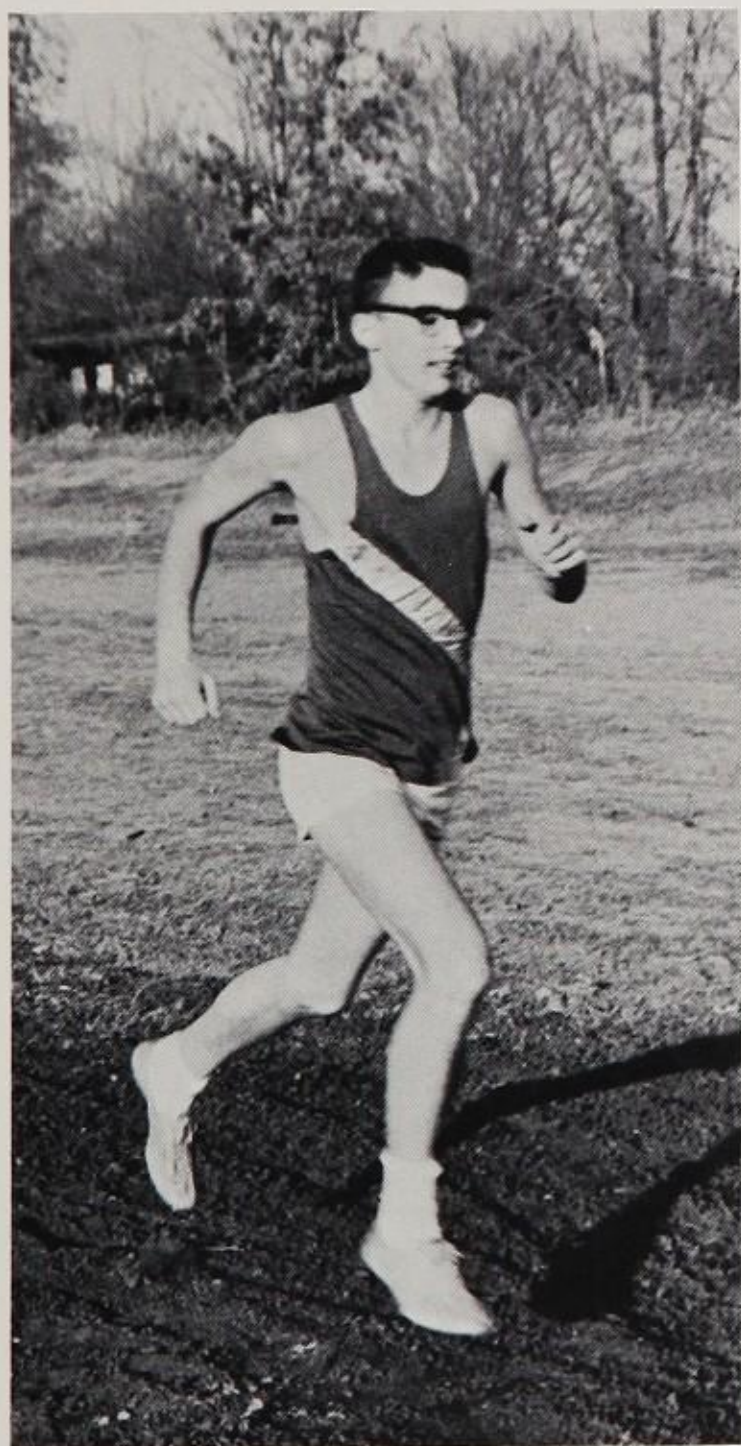

The Senior Spartan Tennis Team, coached by Larry Heathcott, finished third in the city last year. Bill Lindsley, aptly assisted by Mike Allderdice, led the team to four wins and four losses. Next year Rick Cohn and Scott Thayer will join the team to offset Lindsley's absence.

Mike Allderdice bombs a mighty serve.

SENIOR HIGH CROSS COUNTRY TEAM—ROW 2: Parker, Ryan, T. Bellott, Berryman, Green, Todd. ROW 1: L. Bellott, Coleman, McNabb, Martan, Baker.

Stuart Todd shows endurance and stamina.

Cross Country Team

The White Station Cross Country team compiled an enviable record as Coach George Tyree led the team to seventh place in the first State Meet a White Station team has ever qualified for.

Tommy Bellott, breaking Overton's course record, came in first in two dual meets and fifth place in the District Meet. The Spartans, acquiring two first places and four second places in their dual meets, found themselves third in the city and tied for third in the district.

Boosting school spirit in the halls, at pep meetings, and during games, the Spartans' ten cheerleaders experienced a rewarding year. Practice in the early morning hours of July, pre-game dinners at each girl's home, and decorating for the football banquet were only a few of their memorable activities. Those who have gazed into the stands of yelling spectators for the last time will always cherish the first thrilling bars of "Onward Spartans" and the great support of their fellow students.

A tremendous Spartan boot.

The White Station Junior High Football Team ended its 1965 gridiron season sporting an overall record of 6 wins and 2 losses. Led by ALL MEMPHIS TACKLE John Mobley, ALL DISTRICT END Jerry Sheffield, and ALL DISTRICT QUARTERBACK Steve Lawson, the Spartans exhibited an outstanding offensive season. Setting a new school passing record, 70 completions in 117 attempts, Steve Lawson spearheaded the season, culminating his efforts in the Treadwell game with the single game total of 222 yards gained by passing. Highlights of the Spartan season also included an unusual tackle pass from Lawson to Mobley in the Richland game and a fake kick from Lawson to Miller in the Snowden game. The Junior Spartans rewarded Coach Lowry and their student body with a season of excellence.

The Junior High basketball team was sparked by the return of two starters from last year's team, Alex Thompson and Gary Stevens. They were the main offensive threat with Thompson leading the team in scoring and rebounding. Ted Miller and Glenn Frix were standouts on defense.

The team's best efforts were victories over Kingsbury and league-leading Humes. The (9-5) record was good enough for a third-place finish in their district and the best finish the baby Spartans have ever recorded.

Coach Hollingsworth's Junior High Baseball team had a tremendous season, winning all eleven games. The team was led by the bats of All-Memphians Chuck Clark and Bill Johnson. Bill Brown, also an All-Memphis standout, pitched two no-hitters and led Memphis in strikeouts. The Spartans were aided by Glen Frix who will return to help next year's team. Susan,
 We have been good friends
 for years and I am very sincere
 when I say that I treasure
 your friendship very much.
 I am so glad that we will
 always have our church
 as a bond that will
 keep us from entirely
 losing contact. We'll
 be able to see each
 other whenever we
 come home from school.
 I hope your college
 years are wonderful
 ones and that your
 life will be richly
 blessed.

 much fun and I
 really do think you
 are in that group.
 You are so nice and
 pretty. I just treasure
 knowing you. I'll
 never forget all the times
 you had practically the
 whole school over for
 parties & young life. Please
 remember our heavenly
 employer and my prayers
 go with you. Love in our
 Savior,

Do you realize this is keeping me from studying for my English test. This is just one of the many times I have made sacrifices on your behalf.

Really, though, I have enjoyed (stereotype) our friendship over the years. May all your future decades be flaming and joyous!

Kisses

Susan,
I'm so glad
we were able to become
such good friends. It has
been great being in the same
English classes - I feel like we've
gone through a lot together. You

look so cute. I will always cherish our
friendship. The best of everything to you and

Susan,
If you drive
that wild white
monza a little more
safely, we shall
be friends for a
long time to come.
Thank you for being
a wonderful friend.

Dear Susan

I will now attempt to enumerate my
failures to have anything to say and yet
still fill this space, I know not why
the stars come out at night or the
birds sing in the sky (Pretty classy).
My mind is not capable of understanding
why we two as people doth meet and
unknowingly part and go out separate,
sorrowful, slumbering ways in solitude.
Maybe all we do is nil but perhaps it
is so, O Profound Muse give me strength
so that I might face my misgivings.

Well that just about wastes all this space.
Really it has been wonderful knowing you
these years and having you as a friend. I
respect you and will always remember
that brazen hussy that read James Bond.
Jan Kibile
